This is a consolidated rankings report.

* My scoring system included reviews from several books and online websites/articles; Trip Advisor and Google review scores, with a bonus scoring possibility. Trip Advisor score is a combination of Excellent AND Excellent and Very Good scores together. Thirty-six lobster shacks were evaluated & scored. Scoring system is confidential.

In September 2018, I will put this list to the test. I plan to visit 6-8 of the Top 25 during a 10 day Maine vacation.
